CV of Mr José Luis Navarro Ribera

PROPOSED APPOINTMENT OF A NOMINEE DIRECTOR

José Luis Navarro Ribera, born on 22 April 1958.

Holder of a degree in Industrial Engineering, specialising in Industrial Organisation, from the Advanced Technical School of Industrial Engineering of Seville. Postgraduate Diploma in Senior Business Management (AD1 Programme), Postgraduate Diploma in Senior Management of Leading Businesses and Institutions (ADEL Programme) and Postgraduate Diploma in Corporate Governance, from San Telmo Business School.

Professional experience:

- Executive Chair of Empresa Nacional de Residuos Radiactivos, S.A., S.M.E. (ENRESA, 2018–2024).
- Regional Minister for the Economy and Infrastructure of the Regional Government of Extremadura (2015–2018).
- Chair of Extremadura Avante, S.L.U. (2015–2018).
- Director of Corporación Empresarial de Extremadura, S.A. (2015–2018).
- Independent consultant specialising in the energy sector (2015).
- Deputy Managing Director of Arram Consultores, S.L. (2011–2014) and, prior to that, Technical Director (2001–2007).
- Regional Minister for Industry, Energy and the Environment of the Regional Government of Extremadura (2007–2011).
- Vice-Chair of Sociedad de Fomento Industrial de Extremadura, S.A. (SOFIEX, 2007–2011).
- Director of Sociedad para el Desarrollo Industrial de Extremadura, S.A., S.M.E. (SODIEX, 2007–2011).
- Site Manager, Area Representative and Sales Manager in the Badajoz Branch of Cía. Sevillana de Electricidad (taken over by Endesa in 1999) (1990–2001).
- Managing Director of Saltos Extremeños, S.A. (1988–1990).
- Acting official at the Directorate-General for Industry, Energy and Mines of the Regional Ministry of Industry and Energy of the Regional Government of Extremadura (1984–1988).
- Various roles on the Governing Board of the Official Association of Industrial Engineers of Extremadura (1994–2002).
